Garth Brooks And Pearl Records Offer Radio Special To Programmers

Ready for immediate airplay now through New Year's Day and afterwards, **Garth Brooks** and the Pearl Records team have created a one-hour radio special showcasing music and stories from Anthology Part III - Live, the new project from Brooks that includes 5 CDs of live music and interviews detailing the concert events that have defined his career.

The radio special is "self-hosted" by Brooks, as he shares personal stories behind his live concert moments, and will serve as your guest DJ for the hour. The program contains 12 minutes of local avails, no national inventory, and offers customizable promos and material to fill the commercial breaks if needed.

The show includes hits such as "Friends In Low Places," "The Dance," "The Thunder Rolls" and many others. It also includes never-before-heard concert moments from Anthology Part III - Live. A show clock is available [here](#) for reference.

Interested programmers can contact their Pearl Records rep or Maurice Miner (mauricegminer@gmail.com).

Jason Aldean rises to No. 1 on the last CountryBreakout Chart of 2018 with "Girl Like You." The single appears on his eight studio album, *Rearview Town*. "Girl Like You" was written by **Jaron Boyer**, **Josh Mirenda**, and **Michael Tyler**.

In an [exclusive with MusicRow](#), Aldean said, "For me, most of the time when I cut a ballad type thing it's usually in the vein of 'Any 'Ol Barstool' or 'The Truth.' I've never been drawn to sing warm and fuzzy kind of lyrics, but when the right song comes across that is believable and isn't too mushy, I can relate to it. 'Girl Like You' was on the softer side, but sonically, that's rock 'n' roll."

Aldean will appear as a featured speaker at Country Radio Seminar (CRS) 2019. The BMI-sponsored panel, [Jason Aldean: Overcoming Obstacles](#), will take place on Friday, Feb. 15 at 3 p.m. CT.

Each songwriter and artist earning No. 1 credit on the *MusicRow* Chart receives a *MusicRow* Challenge Coin. Click [here](#) to view a full list of recipients.
